MADDEN BUYS HOME | WILSON AID ASKED IN CONNECTICUT AVE.

Congressman to Occupy Property Until Completion of Mass. Ave. House.

Congressman Martin B. Madden of Illinois has purchased the residence at 2818 Connecticut avenue northwest from Eldridge E. Jordan, and, after redecorating the house, will make his home there.

It is understood, however, that the

purchase was partly in the nature of an of the Underwood tariff bill to provide investment, as Congressman Madden for reciprocal tariff agreements, in orbas recently purchased a large lot in Massachusetts Avenue Heights and plans the erection of a handsome residence there. The consideration in the to the extent that foreign markets are to the extent that foreign markets are lot the extent that foreign manufactures only for the ered by the connecticut avenue purchase was about throw ones. onnecticut avenue purchase was about Connecticut avenue purchase was about \$14,000, and it was consummated through the office of Harry V. Bouic & Co.

This office also reports the sale of two residence properties in Ashmeade place, each at a consideration of about \$12,500. Mrs. Mary Francis Gibson bought 2341 Ashmeade place and will make her residence there, and John W. Childress took 2349 in a trade.

To Build Five Dwellings.

William E. Todd and Ernest G. Walker have purchased from Davidson & Davidson, through the same brokerage, a lot fronting 100 feet in Twentieth street, and contemplate the erection of five dwellings. The consideration for the lot is said to have been in the neighborhood of 19.000.

James F. Barbour has sold through the office of Harry V. Bouic & Co. six houses at Sherman avenue and Euclid atreet, the considerations ranging from \$1,50 to \$3,500. The purchasers are Greene S. Donohoo, Joseph Coates, Jesse J. Porter, Ambrose M. Felton, James B. Lomack, and J. Williams. John W. Childress sold five dwellings in Shateenth street southeast for \$3,000 each.

Shannon & Luche' Sales.

Shannon & Luchs Sales.

Shannon & Luchs reported three dwelling sales today. George H. Jones purchased the new dwelling at 789 Hobart place for a consideration of \$2,750, to be occupied as his home.

Harry C. Donaldson purchased the two-story brick dwelling at 1922 First street northeast, in Highview, for a consideration of \$2,400, and William E. Bartel barght 1930 First street for the same price. Both parties will occupy the properties.

'International Fair Play' Sought in Tariff Agreements With Foreign Markets.

President Wilson and Senator F. M Simmons, chairman of the Senate Finance Committee, today receive a request for "international fair play" from a congress of manufacturers who met thrown open to American manufacturers.

"A clause should be enacted in cor nection with the pending tariff legisla-tion," reads the resolution adopted by the manufacturers, "expressly provide ing that the reductions in the dutiable list and the additions to the free list shall be extended, in the case of nations now maintaining tariffs against articles of American production, only so rapidly as such countries agree, on their part, to extend what the President shall deem a fair equivalent for our own large con-

Should Get More Power

It was the idea of the manufacturer that as the Underwood bill in its present form gives the President power to negotiate trade agreements with foreign ations wherein mutual concessions are made in the interest of freer trade relations, the Chief Executive also should tions, the Chief Executive also should get the power to negotiate an increase when the situation demands it.

The conference, which was held at the Raleigh Hotel, was called by the Illinois Manufacturers' Association, and some of the largest commercial organizations in the country were represented by the fifty or more delegates present. The number included John E. Wilder,

To Hold Public Hearings On Net Weight Measure

hearings for manufacturers dealers, and others interested in the new net weight law and the regulations governing its operation will be held in New York during the week of June ! by the committee representing the pur food and drugs board of the Depart ments of Agriculture, Treasury, and Commerce. Other hearings will be held whenever there is sufficient demand. whenever there is sufficient demand.

The committee is now ready to receive recommendations and suggestions in writing. All letters should be addressed to the net weight law committee, Department of Agriculture.

The net weight law becomes effective eighteen months from its passage March 3, last. It requires that the quantity of the contents of food packages he plainly marked on the outside ages be plainly marked on the outside of each package in terms of weight, measure, or numerical count.
